Inductive Bible study is learning how to exegete (draw out), as in extracting the information what a text is actually saying in an objective and in a systematic way. We can do this with the Bible for all its worth with our best efforts. We do this through giving people tools and skills to help observe the text, dig out the meaning, and then apply it to their lives.

Dialectical materialism is a philosophy of science and nature developed in Europe and based on the writings of Karl Marx and Friedrich Engels. In contrast to the Hegelian dialectic, which emphasized the idealist observation that human experience is dependent on the mind's perceptions, Marxist dialectics emphasizes the importance of real world conditions, in terms of class, labor, and ...
