

starting a photography business pdf

Brand your Business. Start with a name for your photography business. Whether you give it a company name or use your own name, you need to get a logo designed and then a business card to pass around. You're a part of a creative industry and your business's personality has to show it, so don't hold back.

Beginner's Checklist Before Starting a Photography Business

When I first started my photography business I was lost on the correct way to build. Many mistakes were made as I went through the process. I wasn't sure what needed to be done first, and I spent more time fixing what I did because there wasn't a resource out there I could find that gave me a simple checklist of wh
