An Autism Speaks analysis of national survey identifies barriers to care and provides guidance for new programs to address needs across the lifespan

Home | Autism Speaks

Socialized medicine is a term used in the United States to describe and discuss systems of universal health care: medical and hospital care for all by means of government regulation of health care and subsidies derived from taxation. Because of historically negative associations with socialism in American culture, the term is usually used pejoratively in American political discourse.

Autism Speaks is an autism advocacy organization in the United States that sponsors autism research and conducts awareness and outreach activities aimed at families, governments, and the public. It was founded in February 2005 by Bob Wright, vice chairman of General Electric, and his wife Suzanne, a year after their grandson Christian was diagnosed with autism.
