## Topics

Kansas has developed a plan template that describes the organization, scope and expectations for provision of disaster preparedness and response activities in order to provide CMHCs the information necessary to develop their own unique all-hazards response plan.

## Kansas Department of Health and Environment: Preparedness

The use of the term "technology" has changed significantly over the last 200 years. Before the 20th century, the term was uncommon in English, and it was used either to refer to the description or study of the useful arts or to allude to technical education, as in the Massachusetts Institute of Technology (chartered in 1861).. The term "technology" rose to prominence in the 20th century in ...
